Statement by Winston K.S. Chu

Press Release

“Proportionality Principle for Harbour Reclamation”

I refer to the article published in a local Chinese newspaper yesterday concerning my above Paper which is incorrect and to the annexed Statement by Christine Loh, the Chairperson of our Society.

My efforts and approach to protecting and preserving the harbour has always remained the same. My Paper simply explains how the Protection of the Harbour Ordinance and the Court of Final Appeal Judgment should be implemented by the Government.

Winston K.S. Chu,
Adviser
